Ports of Call

Dubai: Believe everything you've heard about Dubai - it truly is that incredible. Honestly, where else on earth can you ski both in a shopping mall and out in the desert? As one of the world's fastest growing cities, Dubai has emerged as a premier luxury travel destination, drawing visitors from all over the globe. Its dry and sunny weather, incredible shopping experiences, and unique tourist attractions have helped to turn it into a bona fide hot spot where ancient and modern cultures come together.

Bombay: The Hollywood of India, Mumbai (previously known as Bombay) is a unique city pulsating with energy, life, and excitement. You can find everything from vibrant street scenes and the country's best nightlife, to an abundance of shopping. The city serves as both the financial and entertainment capital of India, so you are just as likely to see a famous "Bollywood" movie star as you are a high-powered businessman. With all there is to see and do, you will discover that Mumbai truly lives up to its billing as the "City of Dreams."

Goa: How can you resist a place whose local motto is "Sossegade," which translates to "Take it Easy"? A long a favorite destination for New Age travelers seeking the transcendent good life, these days Goa is more hip than hippie. High end restaurants and shopping now complement the dreamy beach life, and Goa's easygoing streets make an easy and rewarding first introduction to India. Goa's historical atmosphere, shaped by a fascinating mix of Portuguese and Indian influences, is unique. The Portuguese were here for some 500 years, and their presence can still be felt in customs like the siesta, the easygoing Goans take every afternoon.

Cochin: One of the finest natural harbours on the Arabian coast of India, Kochi (also known as Cochin) was once known as the center of the Indian spice trade. Subsequently, the town has a distinct European feel, due to the fact that it was once inhabited by the Portuguese, Dutch, and English. Their influence on the town's forts, palaces, museums, and old churches is still evident today. Which is why Kochi is known as the Queen of the Arabian Sea.

Phuket: Located in the Andaman Sea, the island of Phuket in Thailand

was one of the earliest tourist developments of Southeast Asia. Though most folks come for the beaches, Phuket boasts amazing snorkeling, windsurfing and trekking for the adventurous types. Hills dominate this tropical island and the views from the top shouldn't be missed.

Kuala Lumpur: Bustling Kuala Lumpur, or KL as it's known, rose up from the forbidding jungle terrain to become one of the most fascinating architectural landscapes on earth. A blend of native Malaysian, Chinese Imperial and European influences has created a city that is as breathtakingly beautiful as it is alive with culture. Replete with fine dining, a fertile arts community and plenty of nightlife, KL has earned a reputation as a must-see world destination.

Singapore: At first glance, this diamond-shaped island just off the coast of Malaysia gleams with modernism and commercialism, making it seem more Western than Eastern. But as you continue to discover the city-state, you'll uncover the eclectic mix of cultures, religions, ancient treasures and British colonial impressions that give rise to a unique Singaporean identity. The cultural fusion is perhaps best expressed in Singapore's unofficial language, Singlish, a unique patois of English, Chinese and Malay.
