Whether you're tying the knot for the first time, enjoying a second honeymoon, or celebrating your jubilee, romance is always in the air in the land of Aphrodite, the goddess of love herself.

Cyprus provides the perfect backdrop to your love with some of the most romantic locations from secluded coves to sun-drenched beaches with sparkling blue seas and breath-taking sunsets.

A wide variety of hotels and dazzling resorts will certainly make your stay even more magical, from five star luxury beachside hotels with every amenity, to private villas with pool for flexibility, or quiet hideaway in simple family run establishments.

## **Get married in Cyprus!**

Have a right royal wedding in Cyprus, as Richard the Lionheart, King of England, did when he married Berengaria of Navarre here in the Middle Ages. Plan an outdoor wedding ceremony under starry skies. Or book the town hall or a medieval chapel for your vows. Impress your guests with a lavish banquet of local dishes or international cuisine. Drink a toast to your future with one of the oldest wines in the world, part of a 4,000 year old tradition of winemaking on the island.

With all-year sunshine practically guaranteed, you are certain to have a day to remember. Convenient marriage formalities and excellent facilities make getting married in Cyprus are a piece of cake. And whether you prefer an intimate family gathering or a lavish banquet at a luxury hotel, you will find that the island offers good value for money.
